

# Sponsor a teacher through

Have you got a group of friends or workmates that could contribute together to make a huge difference to the future of South Sudan?

Sponsoring a teacher ensures that students at Timpir sponsored schools in South Sudan are taught by committed and adequately resourced teachers. Paying a teacher's salary enables teachers to teach full-time and not have to work on their subsistence farms to support their families.

## What are the costs?

- **\$150 per month or \$1800 per year** for a Year 1-5 teacher
- **\$165 per month or \$1980 per year** for a Year 6-8 teacher

## What does the program include?

- Regular updates and letters from the teacher (however there is no postage system in South Sudan, so the delivery of letters will be dependent on people that are travelling from South Sudan to Kenya carrying letters for us).
- A photo of the teacher every two years.
- A progress report of the teacher and school every year.

## Sponsorship provides a teacher with:

- A salary
- Teaching resources
- Basic teacher training
